Application for the position of .NET Full Stack Developer

Dear Sir/Madam,

My name is Avinash Varma Kalidindi and I am an experienced .NET Developer with the front end, back end and DevOps technologies, possessing well-developed field expertise and knowledge. I found your posting for the .NET Developer job and I would like to submit my application as I believe that it would be a great opportunity for me to further grow both professionally and personally.

In brief, I am having more than 7 years of experience in software design, development, performance analysis, security solutions, TDD, BDD, DDT, DDD, product build process and deploying Client/Server Applications using various tools and technologies like C#.NET, ASP.NET MVC, ASP.NET WebForms, ASP.NET Core, LINQ, JavaScript, TypeScript, NodeJS, JQuery, Angular, Bootstrap, ADO.NET, SQL Server, MongoDB, IIS, HTML, CSS, SASS/SCSS, XML, XSLT, JSON, Web Services, Web APIs, Windows Services, Ansible, Liquibase, Flyway, Nexus, RunDeck etcetera. On top of that, I:

- Worked as a Development Team Lead and Individual Contributor for the Back Office systems for retail and risk management systems.
- Involved in functional enhancements of various back-office systems.
- Involved in implementation of new processes using TDD and DDD in the legacy application for better performance without impacting the existing process.
- Involved in implementation of CI/CD for the entire application and other back-office applications.
- Involved in development of monitor tool to trace the production issues.
- Involved in product security, performance and data encryption.

Furthermore, I am the Jawaharlal Nehru Technological University, Hyderabad graduate with a bachelor's degree in Information Technology in distinction, which serves as excellent evidence of my industry knowledge.

Thank you for your time and consideration and I look forward to speaking with you soon.

Sincerely,
Avinash Varma Kalidindi
